I am satisfying for the teaching process

Very excellent

Mint approaches, shouldn't need any improvement

If all the students do class together. And the teachers mixed their studies with the students. I can't speak ill of all the teachers. But I don't like the way of teaching of some teachers. I like my honors teachers. because of their way of teaching is extraordinary fantastic mind blowing .

Very Good teaching in our institution

Preparing the hostel road and a surprise test exam should be conducted every week.

Sufficient teachers avialability, avialable modern technology like smart board, projector etc and every time teaching the practical and application of theory paper.

BEST .

Assign more teacher in our department.

No

Create doubt clearing class once in a week

Madrate

Teaching thoroughly

Lack of teasing staff 😞

Syllabus should clear before examination

I am already satisfied 😊👍

I am already satisfied

By giving sufficient teacher in the department so learning will more effective .

By career Counseling, adding internships etc

According to the time table, keeping in mind the time and exam, if you complete the course as soon as possible, we mean you get good marks. Otherwise everything is fine..... Thank you...

It is a time taking process. In our department there is the lack of lecture so that the course is not teaching.

Better quality of education, make friendly environment

Reduce admission fees

To achieve the best learning the teacher will be support to the students and teach thoroughly.

anisahoo041@gmail.com

A lot of things to improve

Incorporate new technologies and understand learners behaviour about study and regular interaction with the students about their study or course

Understand students behaviour about study and regular interaction with the students about the course

Digital smart board is necessary

Increase the teaching staff

Increase the teaching staff .

Lack of teaching staff

We need a lecture in our department

We need a teacher in our department

Everything is good

Improve more learning process through projector

Waiting for better results
